Organisation: N/A	Key issues: <i>Social impacts, Visual impacts, design and landscaping, Land use compatibility (surrounding land uses), Traffic, Other issues</i>
Location: <i>New South Wales 2579</i>	
Attachment: N/A	

Submission date: 10/24/2024 7:40:21 PM

*This is not the right site for such a large scale operation. It is within Sydneys water catchment, it lies within the towns boundary and it will operate 24/7 7 days a week with big noisy trucks accessing the site. There is a large environmental concern with the water being discharged from the site likely contaminated with microplastics and phthalates and chemicals.*
