Organisation: <i>Southern Highlands Early Childcare Centre</i>	Key issues: <i>Social impacts, Visual impacts, design and landscaping, Land use compatibility (surrounding land uses), Traffic, Other issues</i>
Location: <i>New South Wales 2577</i>	
Attachment: <i>N/A</i>	

Submission date: 10/24/2024 1:08:10 PM

*The environmental impact - the production & recycling of plastics can lead to pollution which will include air & water contamination from chemical byproducts.*

*I work at a childcare centre which will be directly impacted with the constant noise from trucks, higher traffic volumes causing road safety issues & children with allergies & asthma will be impacted. Our lovely centre will be at a huge risk if this proposal goes ahead.*
