Organisation: N/A	Key issues: <i>Social impacts, Land use compatibility (surrounding land uses), Traffic</i>
Location: 2577 New South Wales	
Attachment: N/A	

Submission date: 10/28/2024 3:37:21 PM

I do not believe this is the right site for such a project. Local roads are not suitable for the volume of trucks proposed. As I understand, no proper environmental studies have been done ; as I understand it the developer no previous experience in this type of development.

Such a development should not be in this pristine rural location
