*I object to the proposed Moss Vale Plastics Recycling Facility on the following grounds:*

*The WRONG site -*

*The proposed site lacks appropriate transport infrastructure.*

*It is 125kl from Sydney where most of the plastic waste will originate.*

*It should be sited in a heavy industrial zone.*

*It is too close to residential properties, 2 schools and a childcare centre.*

*It is impossible to manage the significant fire risk at the proposed location.*

*Local waterways will be put at risk.*

*I ask that you DO NOT APPROVE the Moss Vale Recycling Facility at this location.*
