Dear Justin,

**Stone Ridge Quarry (SSD-10432)
Questions on Notice and Request for Information**

I refer to the State significant development application for the Stone Ridge Quarry Project (SSD-10432) (**Application**), currently before the Independent Planning Commission (**Commission**) for determination.

Following the Commission's stakeholder meetings on 5 November 2024, the Commission is seeking a response from on the following matters which were questions and/or information requests taken on notice by the Applicant:

Please provide:

1. plant community type (PCT) and vegetation zone mapping that includes land outside and adjoining the project area.
2. an assessment on the potential for PCT762 to become fragmented considering the project's proposed vehicular access disturbance area and PCT762 locations surrounding the site, in particular to the west of the proposed access point.
3. a biosecurity risk assessment associated with the project's proposed vehicular access.

The Commission requests that the Department provide a response by **5pm on Friday 15 November 2024**.

Should you require any clarification in relation to the above, or wish to discuss further, please contact Kendall Clydsdale at [REDACTED] or at [REDACTED].

Yours sincerely,

Stephen Barry
Planning Director
