## AGENDA

- Opening statement and introductions
- Contamination Management Plan
  - The EPA Advice on the Response to Submissions dated 17 September 2020
- Noise
  - Current noise limits - EPA Advice dated 17 September 2020;
  - Can you please provide some examples of the type of works / activity that might be covered by the proposed Out-of-hours Work Protocol?
- Operational Management
  - Is there an intention / provision to require integrated ongoing operations of the Site?
- Heritage - Glenfield Farm (State Heritage Register)
  - Applicant's advice referenced in 6.8.1 of the Department's AR
  - how are the proposed mitigation measures reflected in the draft consent conditions?
  - Are there reasons why the proposed condition requiring a landscape area along the site boundary within proximity of Glenfield Farm should not be included if the Panel were of a mind to approve the application?
- Traffic
  - The Liverpool Council submission has suggested consent conditions at Appendix A of its submission. Have these conditions been addressed by the Department in relation to the current Application?
- Engineering
  - Liverpool Council submission suggests that that previously proposed engineering consent conditions, included as Appendix b to its submission, have not been adequately addressed, in previous approvals. Have these conditions been addressed by the Department in relation to the current Application?
