

## CONFLICT OF INTEREST PROJECT REGISTER

*This register of conflicts is specific to the case below.*

**Date:** 06/03/2025

**Case:** Springvale Water Treatment Plant (SSD-7592-MOD 11)

| Nominees:                      | Actual, potential, or perceived conflict: | Action:                  |
|--------------------------------|---|--------------------------|
| Professor Neal Menzies (Chair) | Nil                                       | Proceed with appointment |
| Ms Sarah Dinning               | See below                                 | Proceed with appointment |

Commissioner Dinning disclosed to the Commission Chair her previous employment by the-then Sydney Catchment Authority (now part of WaterNSW) from December 2008 to May 2013. Given that Commissioner Dinning was exercising public functions and no commercial interest was engaged, and given also the length of time that has elapsed since that employment, the Chair has determined that no actual, potential or perceived conflict of interest arises that precludes Commissioner Dinning's appointment to this Panel.

**Updates after project commencement:**

This register is made upon the nomination of Commissioners, to the determination or hearing panel. It may be updated if actual, potential, or perceived conflicts arise during the determination or hearing process.
