

## Muswellbrook Solar Farm SSD-46543209

16 May 2025

On 19 March 2025, the Commission issued a statement (linked <a href="here">here</a>) advising that the determination of the State significant development application for the Muswellbrook Solar Farm was paused, pending the possible provision of supplementary assessment material by the applicant to the Department.

Supplementary assessment material has now been received by the Commission (linked <a href="here">here</a>) and the Commission's determination process has now recommenced.
