Instructions to users

This form is to be completed if you wish to request an independent review related to plan-making under Part 3 of the *Environmental Planning and Assessment Act 1979*. A review can be requested at pre-Gateway stage and following a Gateway determination. This form relates to Gateway review requests.

A **Gateway review** can be sought following a Gateway determination where a determination is made that:

- the planning proposal should not proceed;
- the planning proposal should be resubmitted to the Gateway; or
- imposes requirements (other than consultation requirements) or makes variations to the proposal that the proponent or council thinks should be reconsidered.

Note: With reference to point 'c' above, a request to review a Gateway determination can only be made prior to the commencement of community consultation on the planning proposal.

Note: Gateway reviews can only be sought if the **original** Gateway determination was made by a delegate of the Minister.

Before lodging a request for review, it is recommended that you consult the Planning Circular '*Delegations and independent reviews of plan-making decisions*' and '*A guide to preparing local environmental plans*', which can be found on the department's website www.planning.nsw.gov.au. The guide gives a step-by-step explanation of the review procedure and necessary requirements.

To ensure that your request for review is accepted, you must:

- complete **all** relevant parts of this form
- submit **all** relevant information required by this form.
- provide **one hard copy** of this form and required documentation
- provide the form and documentation in **electronic format** (e.g. CD-ROM)

Note: The department may request further information if your request for review is incomplete or inadequate.

A fee is not charged for a Gateway determination review.
