

15 October 2025

Liverpool Range Quarry (SSD-68063715) public meeting will not go ahead

The Independent Planning Commission Panel appointed to determine the State Significant Development application for the proposed Liverpool Range Quarry advises that the public meeting that was scheduled for Wednesday 22 October at Cassilis Community Centre, Buccleugh Street, Cassilis, will **not go ahead due to a low number of speaker registrations**.

The Commission will contact the eight people who registered to speak to schedule individual meetings to allow them to have their say on the Liverpool Range Quarry. In accordance with the Commission's [Transparency Policy](#), the Commission will publish transcripts of any meetings that occur as part of these alternative arrangements.

The Commission is still seeking written submissions on the Liverpool Range Quarry. Any community members that would like to make a submission can do so via the Commission's online portal: <https://www.ipcn.nsw.gov.au/cases/liverpool-range-quarry>

Written submissions will be accepted until 5pm AEDT on Wednesday 29 October 2025.
