## Moss Vale Plastics Recycling Facility

### ***Repoly Pty Ltd (formerly Plasrefine Recycling Pty Ltd) v Independent Planning Commission & Ors (Land and Environment Court proceedings 2025/264451)***

The Commission refers to its [notice of 5 September 2025](#) regarding the Court-ordered conciliation conference in these proceedings.

The parties have advised the Court that the conciliation conference will commence at the site entry gate at the southern boundary of the site next to Braddon Road.

The Court's [Conciliation Conference Policy](#) limits the number of resident at the public session of the conciliation conference to six. Other than the parties to the proceedings and those six people who have been informed that they will be making oral submissions at the public session, the Court's policy does not otherwise provide for public participation in the conciliation conference.
