

RE MINARAH COLLEGE.

This is a most unsuitable site for a proposed college.

The roads cannot cope with an influx of vehicles for approximately 1000 people per day, morning and afternoon, plus their proposal for BUSES from Liverpool and Minto Railway Stations into this village.

There are no footpaths, kerbing and guttering, or street lighting for their proposed after school hours activities.

Their playing fields will get boggy from SEPTIC system overflow from so many students.

There would be considerable congestion for the TURN-IN and OUT ACCESS from Catherine Field Road for the DROP-OFF and PICK-UP areas in such an undeveloped village.

Thank you.
