1. Only those who have pre-registered with the Office of the Independent Planning Commission are scheduled to speak at the hearing. The Chair will enforce speaking times but also reserves the right at the hearing to allow speakers additional time to clarify information and/or provide further technical material. The Commission also reserves the right to terminate speakers before their speaking time is complete if the speaker is disruptive as set out in our Standards of Behaviour Policy. The Commission already has copies of all written submissions made to the Department of Planning, Housing and Infrastructure during public exhibition of the development application, and submissions made directly to the Commission to date. If you have registered to speak but your name is not on the above list please call (02) 9383 2100 or email ipcn@ipcn.nsw.gov.au. Those registered to speak are requested to familiarise themselves with the Commission's Public Hearing Guidelines prior to presenting to the Panel.

*These speaker registrations were received after the advertised deadline. In this instance, the Commission has decided to accept the late registrations, but this is not to set a precedent - the Commission may, at its discretion, choose to strictly enforce the registration deadline.
