

## Public Meeting Rixs Creek Modification 10

### Speaker Notes: Joshua Dagg

- My background and relationship with the company
  - 2008-present
  - Family work for the company
- My role as lodge secretary
  - Built relationships with 250 members who work either production or engineering roles with the company
  - Socio economic impact on these workers
- Bloomfield group foundation
  - contribution to charities, schools, sporting teams, festivals, country shows
  - donations from Rixs creek lodge. Dollar for dollar with the company on some.
- Advice from Government Agencies
  - No objections to proposed modification
- Advice from the department
  - Socio economic benefits of the modification significantly outweigh the minor continuation of impacts
  - Unreasonable to cease operations at rixs creek south, while pending SSD 6300 remains on foot
  - Impact and disruption to worker if this does not happen before June 24<sup>th</sup>, and the financial cost to the company
