**Subject:** Property acquisition rights

Hi Matthew,

The Commission is considering the property acquisition rights of residences in the vicinity of the Rix's Creek South coal mine site, with a particular interest in Camberwell. Would the Department please be able to provide a list of residences that are currently afforded mitigation and acquisition rights within the region? This is intended to cover properties that are afforded mitigation and acquisition rights for other mines in the area, not just Rix's Creek South.

Regards,
