Subject: Martins Creek Quarry Expansion

I would like to lodge an objection to the current proposal, new amendments.

I live along the haul route and 160 trucks per day will detrimentally impact my daily life. I am specifically concerned about using Tocal Road, turning onto and off the main road in the middle of 100 kilometre per hour speed zone, and accessing the Paterson village. The increased increased volume of traffic, noise and pollution will affect me daily.

Yours faithfully

Robyn Woodhouse
