**Tell 'em to get stuffed.**

The Outlook from my front door – beautiful country vista of rolling green hills, trees and livestock

The real Outlook from my front door – 20m from front door to the white stripe on the side of the road

The 80km/hr spot where my 13 year old catches the bus to High School – blind corners, thin strip for him to stand on next to heavy vehicles, buses and cars

The bus stop this morning, bus stopped on the road, cars going in both directions, kids running on the roadside after being quickly dropped off to make sure they don't miss it

The 80km/hr spot where my 10 & 12 year olds catch the bus to Paterson Public School – in the afternoon they disembark on the far sode of the road and need to run the gauntlet to across to our driveway
