Dear Sir/Madam,

I am writing this email in support of The Bowdens Silver Project.

I support this project for numerous reasons, which are listed below:

- It is one of the largest undeveloped silver mines in the world
- Silver is extremely important for decarbonising energy (Solar panels)
- It is also important for commercial and medical applications
- Silver is already in short supply
- Good for the state financially with royalties
- Good for local economy
- Good for local employment, not only in the mine but with supporting industries
- Silver Mines is an environmentally responsible company

Many thanks.

Regards, Brian Williams.
