- A couple of points of clarification as you addressed this in my role as Councillor.

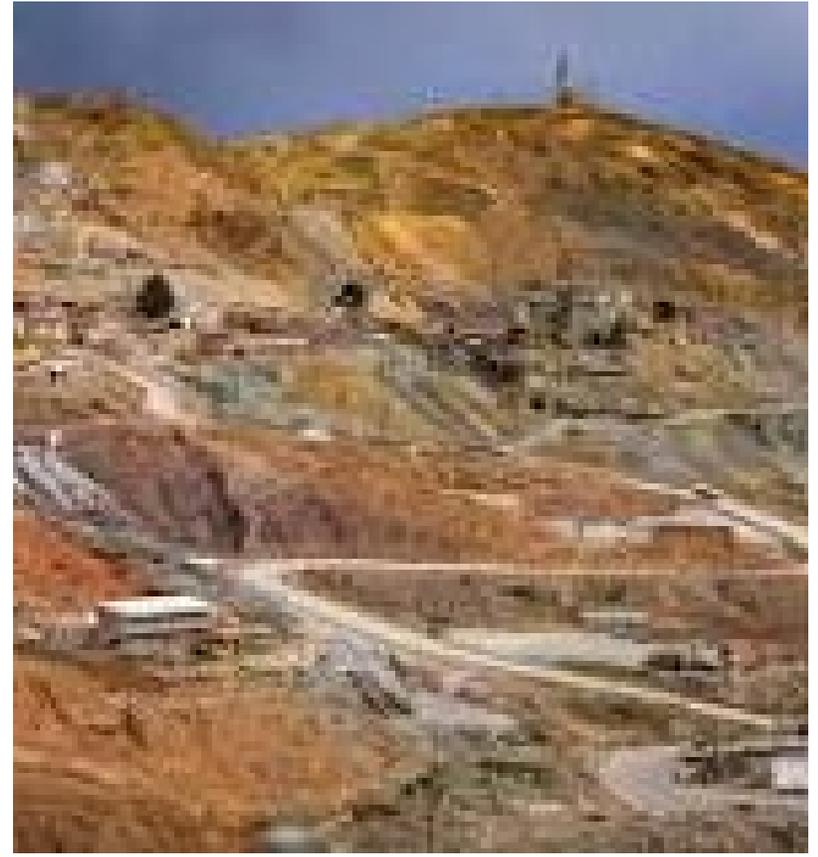

- I am employed as a part time Community projects coordinator by Bowdens Silver, not as a community liaison officer.

- I have always declared an pecuniary interest and have taken no part in any of Councils discussions or decisions regarding Bowdens Silver.

- Any communications regarding my role as Councillor containing accusations or any other content relating to declared interests or perceived conflict of interests, are, and will continue to be, forwarded to Councils governance officer for full disclosure.

- Regards
