Organisation: N/A	Key issues: <i>Social impacts, Land use compatibility (surrounding land uses), Traffic</i>
Location: New South Wales 2576	
Attachment: N/A	

Submission date: 11/3/2024 6:43:07 PM

*This plastic recycling plant is a great idea, but the site is too close to homes. There is also the risk of run-off flowing into the water courses on both the eastern and western sides of the block, both of which flow into the Wingecarribee River which is less than 2km away. Water from that river eventually flows into the Warragamba Dam via the Wollondilly River.*
