Submission ID: 217159

Organisation: N/A	Key issues: <i>Social impacts, Visual impacts, design and landscaping, Land use compatibility (surrounding land uses), Traffic</i>
Location: New South Wales 2576	
Attachment: N/A	

Submission date: 11/22/2024 5:17:34 PM

*After all the information given about the pros and cons for this development I would not think any member of the independent commission would vote to pass this development if they resided in the Southern Highlands.*

*It is clear it is not a desirable development for the community.*

*We sincerely hope common sense prevails.*

*This development is in no way a sensible development for the Highlands.*

*Please listen to the residents. Thank you.*
