Updates after project commencement:

After reviewing the submissions received by the Commission for this matter, Commissioner Marshall disclosed to the Commission Chair that one of the submissions was made by someone known to the Commissioner.

As the relationship with the person who made the submission is not a financial or close personal relationship, and as the person who made the submission does not – to the best of the Commission's knowledge – have any commercial relationship with the applicant, the Chair of the Commission has decided that no actual, potential or perceived conflict of interest arises that prevents Commissioner Duncan from remaining on the Panel for this matter.

This register is made upon the nomination of Commissioners, to the advice, determination or hearing panel. It may be updated if actual, potential, or perceived conflicts arise during the advice, determination or hearing process.
