

MORIAH COLLEGE REDEVELOPMENT (SSD 10352)

We're holding a Public Meeting to listen to the community's views

The NSW Department of Planning, Industry & Environment has now completed its evaluation of the proposed **Moriah College Redevelopment (SSD 10352)** and provided it to the Independent Planning Commission NSW for determination.

In line with regulatory requirements introduced in response to the COVID-19 (Coronavirus) pandemic, the Commission is not holding face-to-face public meetings at this time. To ensure interested individuals and/or groups can still have their say on the Moriah College Redevelopment, the Commission will conduct a public meeting remotely by video conference (with an option to participate by telephone).

Commissioners Peter Duncan (Panel Chair) and Adrian Pilton have been appointed to determine this state significant development application. They will host the electronic Public Meeting from **10am AEST on Thursday 15 April 2021** to hear directly from community members.

How to Have Your Say

If you wish to apply to speak at the electronic Public Meeting, you must complete the **registration form** on our website by no later than **12pm AEST on Thursday 8 April 2021**. Once speakers who wish to participate in the Public Meeting are registered, the Commission will provide additional information about the technical details and process to assist them.

How to watch and/or listen to the Meeting
