

# How to cancel Princess cruise hold without penalty?

Yes, you can cancel your Princess® cruise, but whether you'll receive a full refund depends on when you cancel and the type of fare you booked. Generally, if you cancel before the final payment date, you can receive a full refund (excluding potential non-refundable deposits). After the final payment date, cancellation fees will apply, increasing as you get closer to the sailing date (+1 ★855★785\~0041).

Here's a more detailed breakdown:

Before the final payment date:

You can typically cancel and receive a full refund, except for any non-refundable deposits associated with specific promotions (+1 ★855★785\~0041).

After the final payment date:

90+ days before sailing: Cancellation fees are minimal, possibly even zero.

55-30 days before sailing: A 50% penalty of the total fare or the standard deposit, whichever is greater, may apply.

29-15 days before sailing: A 75% penalty of the total fare or the standard deposit, whichever is greater, may apply.

14 days or less before sailing: A 100% penalty, meaning no refund, will likely apply.

If Princess® cancels the cruise:(+1 ★855★785\~0041)

You are generally entitled to a full refund, or you can opt for a future cruise credit with added onboard credit.

Important Considerations:

Future Cruise Credit:(+1 ★855★785\~0041)

If you choose to cancel, you may have the option to receive a future cruise credit instead of a refund. This credit is typically valid for a certain period (e.g., 12 months) and may have restrictions on its use (+1 ★855★785\~0041).

Non-refundable Deposits:

Some promotional fares have non-refundable deposits, which means you may not get that portion refunded even if you cancel before the final payment date (+1 ★855★785\~0041).

Travel Insurance:

If you purchased travel insurance, your policy may offer more favorable cancellation terms depending on the coverage you selected (e.g., "cancel for any reason" clause)((+1★855★785\~0041)).

Shore Excursions and Packages:

Pre-purchased shore excursions, drink packages, or WiFi are usually refundable when you cancel the cruise.

Government Taxes and Fees:

Government taxes and fees, as well as prepaid gratuities, are typically refunded (+1★855★785\~0041).
