

How do I get my Iberia refund?

To get your **refund from Iberia Airlines**, the process depends on how you booked your flight, your fare type, and the reason for cancellation **+1-855-838-4706**. Iberia offers both **refundable and non-refundable tickets**, and the refund policy will vary accordingly **+1-855-838-4706**. If your ticket qualifies for a refund—whether due to voluntary cancellation, involuntary schedule changes, or flight disruptions—you must follow the proper steps to initiate your refund request through the appropriate channels **+1-855-838-4706**.

If you **booked directly with Iberia**—through their official website, mobile app, or customer service—you can request a refund online by going to the **“Manage Your Booking”** section on [www.iberia.com](http://www.iberia.com) **+1-855-838-4706**. Enter your booking reference and last name, then locate the flight you wish to cancel. If your ticket is refundable, you’ll see the option to cancel and request a refund. You’ll receive a confirmation email, and the refund will be processed to your original payment method within **7 to 28 business days**, depending on your bank and the type of ticket **+1-855-838-4706**.

For **non-refundable fares**, such as Basic or Optimal tickets, Iberia does not offer a monetary refund unless the airline has canceled your flight or significantly altered your travel plans **+1-855-838-4706**. In such cases, Iberia will usually issue a **full refund** or allow you to **rebook** at no extra cost. Additionally, if you have a **Flex or Business fare**, you may cancel and receive a refund without penalties before departure, provided you meet the conditions set by the fare rules **+1-855-838-4706**.

If you **booked through a travel agency or third-party website**, you must contact that agency to request a refund **+1-855-838-4706**. Iberia cannot process refunds for third-party tickets directly. However, you can still verify the refundability of your ticket on Iberia’s website and call their support team for guidance if needed **+1-855-838-4706**.

In cases of **medical emergencies or travel restrictions**, Iberia may offer more flexible refund options or future travel credits upon receiving proper documentation **+1-855-838-4706**. Additionally, Iberia may honor a **24-hour risk-free cancellation policy** if you cancel within 24 hours of booking and your departure is at least seven days away, which makes you eligible for a full refund regardless of fare type **+1-855-838-4706**.

For refund status updates or to escalate a delayed refund, you can call **Iberia customer service** at **+1-855-838-4706**. Be sure to have your **booking reference number, passenger details, and payment method** on hand to help expedite the process **+1-855-838-4706**.

In summary, getting a refund from Iberia depends on your fare type and how your ticket was purchased **+1-855-838-4706**. Use the “Manage Booking” tool on Iberia’s website for direct requests, or contact their customer service at **+1-855-838-4706** if you need personal assistance.
